

# MICHELIN 90L 3HP VERTICAL COMPRESSOR

## MX-CLASSIC-PRO-90V-3M

The Michelin (Fini) MK103 3HP 90L Vertical Air Compressor (230VAC) is a high-performance, single-stage belt-driven unit designed to maximize workshop efficiency.

This fully lubricated compressor features a durable 3 HP pump with cast iron cylinders for reliable performance and long service life. Equipped with a 90L vertical tank, front-mounted controls, integrated wheels, and a transport handle, it is ideal for professional workshops, garages, and other demanding applications.
